

## Information for new members

Welcome to Bayside Runners and Walkers. To get the most out of membership, we encourage you to participate in as many club training sessions, events and other activities as you can.

There is lots of information on the club web site <http://baysiderunners.com/> ; please go through the information there. This handout though will provide you with some useful information to get you started.

### Facebook

**Facebook** is used extensively to involve members. There are two Facebook sites, one is for financial members only. The second, whilst not open to the public, has a wider circulation with many past members as well as friends and family able to access it.

The Members only Facebook page is where official club announcements and any announcements by members to organise runs are posted. You need to initiate a request to join this page – “**Bayside**

**Runners and Walkers (members only)**". One of the administrators will then check that you are a financial member before accepting your request.

Our second Facebook page is for more general social chit-chat and banter, as well as photographs, and even some non-running related chat. You need to also initiate a request to join this page – "**Brisbane Bayside Runners & Walkers**". One of the administrators will assess whether you are known to the club (but not necessarily a financial member) before accepting your request.

#### Club meetings

On the second Thursday of every second month (February, April, June, August, October, and December) we have a club meeting starting at 7:00 pm at the Sharks Sporting Club, Victoria Point. These meetings go for just over an hour and is where we make the decisions about the club's activities. All members are invited and encouraged to attend. The minutes of each of the bi-monthly meetings are emailed to all members. Other more significant messages are also emailed out to members.

#### Uniforms and merchandise

The club offers a range of branded apparel and merchandise for sale, only available to financial members. The range includes shirts, singlets, visors, race bib belts, personalized jackets, and compression tights. To check on the items and stock currently available, contact Corina Bailey, our Vice President.

#### Annual membership

Our annual memberships are renewable in September/ October each year through the Queensland Athletics web-site.

#### Non-training activities

The club also organizes a range of non-running activities throughout the year. There is an annual calendar of events on our web-site, plus heaps of ad hoc events mostly published on our Facebook page. Some of these are social, some fund-raising, some celebratory, all are fun. We would love to see you at as many of these as possible.

#### Who to ask for more information?

You can ask any member for information – if they don't know, they will point you in the right direction.

Our office-holders are currently:

Mick Gill	President
Corina Bailey	Vice-President
Graham Smith	Secretary
Kelly Frost	Treasurer
